

**ARMSTRONG WHITWORTH
AW.650 ARGOSY**

(Four Rolls-Royce Dart 526)

Span 115ft
Length 86ft 9in

Depicted is the first of the Argosies, the demonstrator G-AOZZ. The fuselage has a white top and there are dark-blue flashes along the fuselage and tail booms. Forward of the cockpit is a dark-blue anti-glare crescent. The name and company insignia on the nose are in white. Despite periods of adverse weather, G-AOZZ already has over 17 hours in her logbook.
