0 1 2 3 4 5 6 7 8 9 10

MAXIMUM SPEED --- 150 M.P.H.  
CRUISING SPEED --- 131 M.P.H.  
STALLING SPEED --- 55 M.P.H.

# GRIFO

Like other war-torn countries of Europe Italy has been struggling to resurrect its civilian aviation. Always noted for splendid personal planes, they are again producing aircraft of the same quality. One of the best examples is this three-passenger Grifo, built by H. Ambrosini & Co. of Milan, for sport and executive use.
